UWMRF Catalyst Grant Program

Bradley Foundation supports UWMRF

The UWM Research Foundation is pleased to report that the Bradley Foundation will be providing another year of support at \$150,000 for our Catalyst Grants which will be awarded in summer of 2022; bringing the total awards through the Catalyst program to more than \$5.5M. **Thank you to the Bradley Foundation.** This is a very successful program which has which has led to follow on funding for catalyst awardees exceeding **\$27M.**

Bridge Grant Program Update

Supporting UWM'S entrepreneurs and their ventures

In its inaugural year the Bridge grant program awarded five promising UWM startups a **total of \$124,000 in 2021.** These five startups have gone on to raise an **additional \$3.5M combined this year** in grants and investments. A 2nd year call for proposals will go out this month and an **additional \$276,000 will be awarded in 2022** to help UWMRF startups hit key business milestones.
