

On The Prowl: The Research Review

We are excited to share with you our inaugural edition of the UWM Research Foundation's monthly newsletter featuring the latest updates on the innovations of UW- Milwaukee researchers. We will be featuring updates from our startups, licensees, inventors, and other exciting news and events.

If you wish to be removed from this email list, please use the link at the bottom of this email.

2021 Bradley Catalyst Seed Grant Winners

UWM Research Foundation Completes Fourteenth Cycle of Catalyst Grant Awards

The UWM Research Foundation recently completed awarding Catalyst Grants to three projects.

Now in its fourteenth year, the Catalyst Grant Program has awarded over \$5.5 million dollars in seed funding for 101 projects. These projects have led to 55 issued patents, 31 license/option agreements, and more than \$23.4 million in follow on investments in UWM technologies.
