

# WHY YOU SHOULD PARTNER WITH UWM RESEARCH FOUNDATION

UW-Milwaukee is a respected R1 research institution with world class faculty investigators and facilities that can help your company reach its goals by:

- Increasing innovation
- Gaining access to expertise
- Accessing facilities and equipment for conducting R&D
- Feeding your talent pipeline
- Saving cost and time
- Supporting your community

UWM KEY AREAS OF EXPERTISE:

*ENERGY & POWER SOLUTIONS*

*INFRASTRUCTURE & TRANSPORTATION*

*WATER & ENVIRONMENT*

*ADVANCED MANUFACTURING*

*DRUG DISCOVERY & BIOMEDICAL*

## **SPONSORED RESEARCH**

Companies partner with UWM research experts to collaborate on R&D projects.

## **PANTHER PARTNERING**

provides up-front, easy, transparent, and win/win licensing options for intellectual property created from sponsored research projects.

## **SBIR FUNDING**

Companies with fewer than 500 employees can partner with UWM researcher to apply for government funding to develop early stage technologies through Small Business Innovation Research grants.
